

Dear Parents,

Date: 22 Nov 2016

New Quarter for Age 6+ Course

We are happy to inform you that new quarter for **Age 6+** Course is about to begin. To further develop the students' learning, they are required to use unique equipment set during the lessons.

Students will use the new and exciting **LEGO® Education WeDo 2.0 Core Set** which provides a fun and easy way to get started on simple programming. Children build models, attach Motion & Tilt Sensors on their creation, which can be connected into their Computers, iPad, or Tablet and configure behaviors using intuitive, icon-based software.

Please kindly confirm your enrollment by filling out the Reply Form below and return it to our center **on / before 16 Dec 2016**.

As we might not be available to answer phone enquiries during class time, we kindly recommend you to send us email to lec@pigeoncity.com.hk for any further enquiries to provide you with a more convenient and efficient reply as soon as possible.

Thank you for your kind attention!

Yours Sincerely,
LEGO Education Center (Prince Edward)
