

Dear Parents,

Date: 22 Nov 2016

New Quarter for Age 7+ Course

We are happy to inform you that new quarter for **Age 7+** Course is about to begin. To further develop the students' learning, they are required to use unique equipment set during the lessons.

Students will deepen their understanding with the use of **Simple & Powered Machines Set** on how forces affect motion and explore concepts of energy. They build more complex mechanisms and use them to make accurate observations, measurements and records; and to design their own solutions.

Please kindly confirm your enrollment by filling out the Reply Form below and return it to our center **on / before 16 Dec 2016**.

As we might not be available to answer phone enquiries during class time, we kindly recommend you to send us email to lec@pigeoncity.com.hk for any further enquiries to provide you with a more convenient and efficient reply as soon as possible.

Thank you for your kind attention!

Yours Sincerely,
LEGO Education Center (Prince Edward)
